### Year 10 & 11 Curriculum Intent

#### Religious Education is the "core of the core curriculum" in a Catholic school (Pope St John Paul II).

The Religious Education Curriculum allows for pupils to deepen their knowledge and understanding of the way the Catholic Church expresses their beliefs and how they practice this belief. In addition they have the opportunity to reflect and evaluate their own faith journey. Consequently, they are able to evaluate why some different religious groups have their views and reflect as to why they are opposing arguments from other Christian denominations and non religious point of view.

Students study the GCSE in Religious Studies (Edexcel Specification A). They will take the following exam papers:

Paper 1A: Catholic Christianity

Paper 2F: Judaism

Paper 3A: Philosophy and Ethics Catholic Christianity
